me: yeah, fifty a week for six weeks plus a little on top of that for rent
2:53 PM I do, only because my dad is a fucking psycho nut hunter who blew all his millions on safaris in the '80s
Catalina: really? thats crazy
me: he took me to Africa last year for a hunting spree at his friend's property
Catalina: he sounds interesting

but still laughed
2:59 PM **me**: well, I could have been selling Andy
I've got title to him
Catalina: haha

i guess thats what happens with no tv and no internet and i dont read anything that matter
me: what was it about again?
oh, the attacks
Catalina: yeah
3:00 PM **me**: that was a pretty successful one
Catalina: what was?
me: that particular terrorist attack
Catalina: yeah
me: if you look at them in terms of cost/damage done, Mumbai is high up there
